# MOTORCYCLE LOBBY DAY 2010

Come join us for a 2 days of education, camaraderie and freedom of speech for the 2010 Virginia Motorcycle Lobby Day! January 17th we will meet at noon to go over the current legislation in Virginia's General Assembly that will have an effect on Motorcyclists in the Commonwealth. After an afternoon of work we will spend the evening dining on some of the best BBQ to be had in Virginia, and chase it with the beverage of your choice.

Monday we roll out at 8:00 am for the Capitol where we meet with our elected representatives to share our opinions on the proposed legislation. This is followed up by a free lunch provided by Tom McGrath's Motorcycle Law Group.
